Case study:

Native PDF Financial Reports of Private Companies

SeeNews
·Research on demand

This is an ongoing project which involves collecting native PDFs of financial reports of 200 random private companies from Australia, Belgium, Brazil, Canada, China, Egypt, France, Germany, Hong Kong, India, Indonesia, Italy, Korea, Lebanon, Malaysia, Morocco, Turkey, UAE, USA. The PDFs are in native language and need to be converted into readable files which means all non-readable files are OCR:ed before delivery. Turnaround time is within one hour from publication of the original reports.

The customer is one of the biggest global electronic trading platforms.
